

Principal Profile

Principal Name: Waste Management

Business Or Interest: Waste Management is a leading provider of environmental services in North America, serving over 20 million customers in all types of industries. Our vision is to provide valued, sustainable products and services that drive growth by extracting value from the materials we manage, reducing environmental impact and increasing reuse opportunities.

Lobbying Interests: We are primarily interested in policies affecting the recovery of valuable resources from discarded materials through recycling, conversion and energy technologies, as well as transportation, environmental regulation, and general business matters.
